## Summary

Book Number Eight in the Claudia Rose series, Dead Letters takes forensic handwriting expert Claudia Rose around the world in search of her young niece.

When her brother is accused of murder at his college reunion and jailed, Claudia goes looking for his daughter, who has disappeared from an archaeological dig in Egypt.

The Claudia Rose series will appeal to readers of authors like Tess Gerritsen, Kathy Reichs, and Carol Goodman.

## Read what bestselling author Jeffery Deaver said:

*"Utterly compelling! ... joins the ranks of those rare thriller that expertly blend nonstop plotting with keen perceptions of the characters--good and bad--who populate this wonderful tale." --Jeffery Deaver, author of The Bone Collector.*

## Readers comment about Dead Letters:

- "WOW!!!!!! What an ending! The books get better with each one. This one has had my stomach in knots the whole way through." Nina N.

"- Agatha Christie, John Dickson Carr, Elizabeth Peters, this will be a great addition to that venerable lineage." Gwen F.

- "A great story.... put me there, on scene, with Monica and Claudia." Peg B.

## About Sheila Lowe

Sheila Lowe writes stories of psychological suspense that put ordinary people into extraordinary circumstances.

Like her fictional character Claudia Rose in the award-winning Claudia Rose suspense series, Sheila is a real-life forensic handwriting expert who is frequently engaged by attorneys and government agencies to verify handwriting authenticity.

Sheila also writes the Beyond the Veil paranormal suspense series and nonfiction books about handwriting and personality. Her handwriting analyzer software an independent study course which are used around the world.

All of Sheila's books have ranked #1 in their category at Amazon.com
